

Regular Meeting of the
Mariposa Public Utility District
June 2, 2026

The regular meeting of the Mariposa Public Utility District Board of Directors was called to order by Director Dulcich at 6:30 p.m., at the regular meeting place.

Present were: Directors Bondshu, Dulcich, and Mock, General Manager Susan Wages, Office Manager Shaunna Saltsman, and Customer Service Clerk Michelle Bandurraga

The minutes of the May 5, 2026, meeting were approved upon motion of Director Bondshu and seconded by Director Mock.

Ayes: Directors Bondshu, Dulcich, and Mock

Noes: None

Absent: Directors Cleary and Wichmann

Motion carried.

Public Input – No members of the public were present.

Update/Report Mariposa County Board Liaison – An update was not provided.

CALPERS REQUEST TO AMEND PENSION CONTRACT TO INCLUDE PEPRA PROVISIONS

The Board reviewed an anticipated schedule for the District to complete the necessary documents to amend the District's current contract with CalPERS to incorporate the language reflecting the new provisions outlined under the Public Employees' Pension Reform Act of 2013 (PEPRA) by September 2026.

No action taken.

MARIPOSA COUNTY, FOURNIER ROAD IMPROVEMENTS

Mariposa County has begun plans to add a bridge to replace a low river crossing on Fournier Road to help provide road access during flooding events. The District is requested to move both water and sewer lines under the proposed location of the bridge. This would be a requirement of the District to both fund and relocate the existing infrastructure. The District plans to hire an engineering firm to provide a scope of work and cost to complete these requirements before any further action is taken.

No action taken.

REVIEW BOARD OF DIRECTOR OFFICES WITH EXPIRING TERMS

The elective offices to be filled at the next general election are offices 1, 4 and 5 (Mock, Cleary, and Dulcich, respectfully). All three offices must declare reelection or determine they will not be seeking reelection in November.

No action taken.

PFAS REMOVAL FEASIBILITY STUDY

Stantec Consulting met with District staff on May 29, 2026 to check-in on the progress of the feasibility study. The District was presented with treatment options including ion-exchange and GAC filtration and the costs associated with each treatment method. The District will begin scouting local wells to possibly purchase as an option.

No action taken.

CROSS-CONNECTION CONTROL PROGRAM

District staff continues to conduct initial hazard assessments and implement required protective measures as needed. The District has completed 122 assessments, to date.

GENERAL MANAGER

The Board reviewed the Aged Receivables Report.

The spill boards were installed at the Stockton Creek Reservoir on April 15, 2026, increasing water storage capacity. The reservoir is currently 4.75 inches above the spillway.

Sewer Flow Monitoring: Initial data received for review included locations indicating strong and very strong flows in various areas throughout the District. The report recommending improvements is not yet available. District is still awaiting the full report.

Capital Projects/Maintenance Priorities: The Board reviewed a brief list of capital projects provided by District staff.
